

New Life Ranch

Information for Partnering Ministries

NLR GUEST SERVICES OBJECTIVE

The purpose of NLR Guest Services is to make New Life Ranch a comfortable and easy place for ministry to happen.

WE ACCOMPLISH THIS BY:

- Providing a personable, flexible, servant-hearted staff.
- Maintaining clean, well kept, functional facilities.
- Providing great food in a pleasant atmosphere.
- Offering program consultation and assistance when needed.
- Maintaining God's creation and keeping it a "Valley Set Apart" for refuge from the outside world.

WHAT IS NEW LIFE RANCH?

NLR is a Christian Summer Camp and Retreat Center located in NE Oklahoma, 4 miles west of Siloam Springs, AR. It is recognized by the IRS as a tax-exempt non-profit organization. NLR is an independent corporation and is unattached to any other church, denomination or outside organization. We are dedicated to bringing glory to God through great facilities and a Christ-exemplifying program.

REPORTING YOUR EXPECTED REGISTRATIONS

NLR representatives will contact you periodically and one week before your retreat. These contacts are excellent times to communicate about your registration process. It will be important for your facility and food needs that expected numbers be communicated realistically.

3 dates are important:

- 3 MONTHS BEFORE the RETREAT
 - 1 WEEK BEFORE THE RETREAT
 - THE DAY OF DEPARTURE
1. You are responsible for paying for your reservation number and for guests that exceed your reservation number. You have up to **3 months before the retreat** to make changes in the reservation number, length of retreat, etc. If your number dips below the reservation number **on your contract**, you will be charged for those who attended and 80% for those who didn't, up to your reservation number.
 2. NLR needs your final numbers **one week** before your retreat. If your numbers exceed the number reported one week prior to the retreat, call NLR **to see** if extra space and food are available for extra guests. A **schedule** is also needed at this time.
 3. **Payment** for the retreat **is required before** the group leaves NLR (checks only please).

Examples of above: your church **reserves 50**, reports they are bringing 30 one week prior to retreat and **brings 30**. They're **responsible to pay for the 30 guests that came + 80% of the 20 who didn't** (you are obligated to the contract reservation number). The way to prevent this from happening is to be realistic on your original reservation number.

DOCTRINAL STATEMENT OF NLR

New Life Ranch is concerned about the eternal welfare of those who are on the grounds, and their commitment to Jesus Christ. Therefore, upon signing of the contract you agree to conduct a program that integrates the Bible, and should be in harmony with the following beliefs.

- A belief in the scriptures of the Old and New Testaments as the inspired Word of God and inerrant in the original writing, and that they are the supreme and final authority in faith and life.
II Timothy 3:16, 17; II Peter 1:20, 21; Matthew 5:18; John 16:12-13
- A belief in one God eternally existing in three persons: Father, Son, and Holy Spirit.
Deuteronomy 6:4; II Corinthians 13:14
- A belief that Jesus Christ was begotten of the Holy Spirit and born of Mary, a virgin and a descendant of David.
John 1:1-2, 14; Luke 1:35
- A belief that man was created in the image of God; that he sinned and thereby incurred not only physical death but also that spiritual death which is separation from fellowship with God; that all human beings are born with a sinful nature.
Genesis 1:26, 27; Romans 3:22, 23; Romans 5:12; Ephesians 2:1-3, 12
- A belief that the Lord Jesus Christ died for our sins according to the scriptures as our representative and substitutionary sacrifice, and that all who believe in Him and accept Him are justified on the grounds of His shed blood.
Romans 3:24, 25; I Peter 2:24; Ephesians 1:7; I Corinthians 15: 1-3
- A belief in the resurrection of the crucified body of our Lord and His ascension into Heaven, and that He is there at the right hand of God as our High Priest and Advocate.
Acts 1:9,10; Hebrews 9:24; Hebrews 7:25; Romans 8:35; I John 2:1-2; I Peter 1;3-5
- A belief in that blessed hope - the personal and imminent return of our Lord and Savior Jesus Christ, and that He will set up His Kingdom on earth.
I Thessalonians 4:13-18; Revelation 19:11-21
- A belief that all those who in faith accept the Lord Jesus Christ are born again of the Holy Spirit and thereby become children of God.
John 16:8-11; II Corinthians 3:6; I Corinthians 12:12-14; Romans 8:9; Ephesians 1:13,14; John 16:13; I John 2:20,27; Ephesians 5:18
- A belief in the bodily resurrection of the just and unjust; the everlasting blessedness of the saved and the everlasting punishment of the lost.
Matthew 25:46; John 5:28,29; John 11:25-26; Revelation 20:5,6,12,13; Luke 23:43; Philippians 1:23; Philippians 3:21; I Thessalonians 4:16-17

Our Doctrinal Statement indicates that NLR holds to the historic doctrines of the Christian Faith. Our policy is to partner with those of like-faith. We realize that there are honest differences of opinion among godly believers on issues such as speaking in tongues, divine healing, divine sovereignty and human responsibility, the security of the believer, political and economical theories, etc.

In order to encourage Christian fellowship and unity, and as a matter of Christian courtesy to others on the grounds, we ask that you do not seek to convince anyone outside your own group of your particular views.

GROUP MEDICAL RESPONSIBILITIES

First aid supplies and medical attention are the responsibility of the partnering ministry. **We recommend that you have at least one adult leader who has up to date certification for CPR and First Aid.** It is also our recommendation that you keep a list of all names and addresses of your group with emergency contact names and phone numbers. We would also advise to have a signed permission slip for all minors in case of the need for emergency medical treatment. It would also be wise to indicate on your list any type of **special health conditions** people might have. Please be prepared to communicate your first aid responsibility and be prepared to handle these situations within your group. Transportation for medical care is also the responsibility of the guest group. Intercom phones and on duty NLR staff can be utilized to arrange emergency medical care and assistance. **PLEASE BE READY.**

Suggested First Aid Kit supplies: bandaids, double antibiotic ointment, ace bandages, latex gloves, sterile gauze, medical tape, peroxide, tylenol type medicine, immodium type medicine, cortisone type cream, cold suppressant. This list is not exhaustive.

ORIENTATION BY A NLR STAFF MEMBER is **required** soon after your arrival. This will take approximately 5-10 minutes, and should be worked into your schedule. Some things covered in the orientation include:

- Respect the grounds and NLR staff
- Intercom phones are available in each building in case of guest needs
- Meal info
- Recreation offered
- **THANK YOU!!!**

MUSIC is a large part of the program for many groups visiting NLR. If your group will be using live music as part of your program, whether it be used for entertainment or worship purposes, please keep group behavior within boundaries that are glorifying to God. You are encouraged to have an open dialogue with the NLR representative hosting your group about these issues. We want you to have freedom in your program choices but would also like you to be aware of NLR's guidelines in this area.

GUESTS must be informed of their duty to **respect** our **property, staff, and policies**. They are to conduct themselves so as to further the happiness and well-being of their fellow guests, and without damage to Ranch property. This is much easier to accomplish if a group has a controllable camper to staff ratio. We recommend that with any age group a 1 to 5 ratio would be the ideal. If that is not possible, a 1 to 6 for 6-8 year olds, a 1 to 8 for 9-14 year olds, and a 1 to 10 for 15-18 year olds would be our recommendation.

Under **no circumstances** are illegal drugs, alcohol, tobacco, firearms, or pets allowed on New Life Ranch property during a group's retreat. Please inform your group of this.

GUESTS CAN BE CONTACTED at any time using the following options. For non-emergencies they may call (918) 422-4396 extension 189 or 199. These are public phones and may not be answered immediately. These phones are available for our guests to use at any time but require a calling card for dialing long distance (local calls are free). Most cellular phones rarely receive signals on our grounds. In **emergency** or **urgent** situations, they may call (918) 422-5506 and use extension 103 to reach a NLR staff member.

NLR NEEDS THESE FOUR THINGS from the partnering ministry by at least the **Monday before the retreat**.

- The **final people count** needs to be reported to allow for the appropriate amounts of food to be ordered and for NLR's pre-retreat preparation.
- We also would like to have a **schedule** of your retreat by this time. This will allow for optimal service from our staff. If you are needing any **facilities** other than those you are contracted for, check to make sure they are available. (ie. Motel Units).
- Lastly, our staff would like to have any **prayer needs** your ministry has for the upcoming retreat. A list of the needs is given to each of our staff members so they can be in prayer for your group before they arrive.

**These policies are a part of
the contract required of all
ministries renting NLR facilities**

An excellent night-time option!

CHALLENGE COURSE

Mission Statement

To offer group programs that challenge participants to grow beyond where they are in their relationship with God, others, and themselves. We will accomplish this by utilizing trust activities, group initiatives, low and high ropes course elements, natural elements at NLR, map and compass activities, and wilderness experiences.

Team Building Options

This option includes a half day or full day of team building activities. We will partner with you to design a program that will best suit the needs of your group. Activities may include games, initiatives, and challenge course elements.

| | | |
|----------------------------|---------------------------|---|
| | Half-day (3 hours) | Full day (7 hours; includes highs) |
| Retreat Groups: | \$15 per person | \$20 per person |
| Non-Retreat Groups: | \$20 per person | \$35 per person |

High Ropes Recreational Options

Climbing Wall: The 32 foot wall has 4 sections for participants to choose from. Routes can be easy enough for beginning climbers or challenging enough for more advanced climbers.

| | | |
|----------------------|---------------------------------|---------------------------------|
| Price: | \$35 (for 2 climbers at a time) | \$65 (for 4 climbers at a time) |
| Participants: | 10 / hour | 20 / hour |

Zip-line: The zip-line consists of 4 cables that can be run simultaneously. The start is approximately 45 feet high and the cables run more than 400 feet along Flint Creek.

| | | |
|----------------------|-------------------------------|-------------------------------|
| Price: | \$45 (for 2 people at a time) | \$90 (for 4 people at a time) |
| Participants: | 12 / hour | 24 / hour |

Screamer: The participant is hoisted by the group to the height of their choice, up to 40 feet. Then by a simple release of the rope the swinger enjoys a ride that is sure to be a thrill.

| | |
|----------------------|-----------|
| Price: | \$40 |
| Participants: | 10 / hour |

Vertical Playpen: Participants use each other to scale approximately 40 feet of tires, tubes, ropes, nets, & whatever else we've strung up. This element promises to challenge pairs to work together.

| | | |
|----------------------|---------------------------------|---------------------------------|
| Price: | \$35 (for 2 climbers at a time) | \$65 (for 4 climbers at a time) |
| Participants: | 10 / hour | 20 / hour |

Jacob's Ladder: It looks simple enough...but with rungs that get further apart the farther you climb, and a free swinging base, reaching the summit will take teamwork and perseverance.

| | | |
|----------------------|---------------------------------|---------------------------------|
| Price: | \$35 (for 2 climbers at a time) | \$65 (for 4 climbers at a time) |
| Participants: | 10 / hour | 20 / hour |

High Y: High is right! Walking on cables suspended 45 feet in the air is a challenge for anyone. Partners climb different poles, use ropes and cables to reach each other in the middle of the element, and stretch out as a team to complete the traverse. This is the least often completed, and most demanding element on our Challenge Course.

| | |
|----------------------|---------------------------------|
| Price: | \$45 (for 2 climbers at a time) |
| Participants: | 12 / hour |

Incline Log: Great for younger participants, the Inclined Log gives the challenge of a 20 foot climb, followed by a trapeze walk out onto a suspended pole. Can you make it all the way across?

| | |
|----------------------|---------------------------------|
| Price: | \$45 (for 2 climbers at a time) |
| Participants: | 10 / hour |

Pamper Pole: The Pamper Pole is a manifestation of pure fear. As if standing on top of a moving pole wasn't enough, try leaping out into mid-air to grab the bandana while trusting your friends will catch you as they man the belay teams. Can you guess how the Pamper Pole got its name?

| | |
|----------------------|---------------------------------|
| Price: | \$35 (for 2 climbers at a time) |
| Participants: | 10 / hour |

All Challenge Course options must be **reserved in advance** of your retreat or at the time of the contract. Because each of the elements are group intensive, we ask that all participants who have signed up & will be participating **arrive on time & remain for the entire hour**. This allows the entire group to receive instructions only once & have the entire time to experience the challenge course.

For Challenge Course reservations contact Luke Freeman (918) 422-5506 ext. 114 or luke@newliferanch.com
