

Summer Staff Alumni Retreat

Join us for a day of reconnecting with old friends, sharing memories, and renewal at the NLR Summer Staff alumni Retreat! During the retreat you will have a chance to take part in many of the activities that has made NLR so much fun, like canoeing, the challenge course, swimming, and archery...all the activities you got to teach and help out with when you were on staff! In the evening we will have a time of sharing, worship, and remembering the impact NLR has had on so many people. For more information or to register please visit www.newliferanch.com.
