

# New Life Ranch

## Available Activities

## Team Building

Team Building uses unique activities led by experienced NLR staff to help groups and individuals grow. Common areas of focus are communication, encouragement, deeper sharing, goal setting skills, and trust. Team Building programs are highly customizable experiences that we will design to fit your unique goals.

Using games, problem solving activities, guided reflection, and high ropes elements, we create a sequence of experiences that challenge groups to become more effective teams. As your group takes these lessons home they will become a more effective body of Christ in daily activities together. We can design a half day, full day, or multi-day experience to focus on the goals you identify for your group. Team building is a great way to give group participants a chance to practice the concepts and ideas you are talking about throughout your retreat. Talk to us about the vision you have for your group, and how we can work together with God to make that vision a reality.

### **Team Building is a great option if your group's goals include:**

- Exploring your retreat's program focus from another angle
- Working on identified areas in which the group could benefit from growth
- Navigating the group through a difficult issue
- Facilitating meaningful interaction between individuals or subgroups within the group
- Planning action steps to become a more effective team
- Having fun while facing challenges together

### **Rates**

1/2 day (3 hours): \$15 per person.

Full day (breakfast to dinner, up to 7 hours, includes some High Ropes): \$20 per person.

The guest ministry will be charged for Team Building at the time of the final bill.

### **Scheduling**

Please schedule your session with us at least four weeks before your retreat date. We will work to get your group on our Team Building calendar and then send you a questionnaire to start our dialogue about your group's specific needs so we can design an excellent program for you!

### **Cancellation Policies**

Excellent Team Building sessions are possible indoors, and our facilitators will make every effort to reserve an appropriate meeting space in the case of bad weather. If an indoor meeting space is not available we may have to cancel programs because of weather. A full refund will be given if team building is cancelled by an NLR facilitator due to weather. Cancellations are at the full discretion of the lead facilitator. Groups reserving Team Building who cancel during the retreat will be charged a \$50 cancellation fee.

### **For Participants**

Participants should be dressed for the outdoors with shoes that have closed toes and enclosed heels.

Participants should wear long pants or shorts (harnesses directly on the skin aren't comfortable).

Participants cannot wear wet clothing on the challenge course.

All participants must have a signed Program Activity Release and Informed Consent. Minors must have a form signed by a parent. We have provided the form in the appendix of this document.

### **Contact and More Information**

For more information on the specifics of Team Building contact Luke Freeman at 918.422.5506 ex. 114 or email [luke@newliferanch.com](mailto:luke@newliferanch.com)

Please contact us if you have any questions about your retreat at New Life Ranch.
